Saturday 29 March 2014 at 2.30 pm

Gallery S O | 92 Brick Lane | London E1 6RLG

Gallery S O is pleased to present String Theory, an exhibition of new work by Hans Stofer. In this series of three-dimensional collages, the tension and balance between string and objects create personal narratives from the miscellany of the everyday.

Hans Stofer is Head of Programme Goldsmithing, Silversmithing, Metalwork & Jewellery at the Royal College of Art.
